Hon. Jim Jordan  
Chairman  
Republican Study Committee  
1524 Longworth House Office Building  
Washington, DC 20515

Dear Congressman Jordan:

On behalf of the National Federation of Republican Assemblies, I want to thank you -- and submit our resounding support -- for your Spending Reduction Amendment to the Continuing Resolution.

Our members worked tirelessly in 2010 to elect Representatives and Senators who would actually stop the growing fiscal train wreck in Washington, and restore Constitutional levels of government in line with the values and purposes of our Founding Fathers.

Your Republican Study Committee is the voice of true conservatives on Capitol Hill. Without you, I strongly doubt that this \$100 billion in spending cuts would even be considered before the 2012 budget process. Indeed, without you, I doubt we would see much positive change at all.

We appreciate your work, we intend to actively support this amendment, and we thank you for your tireless efforts to make voting for Republicans truly mean something that matters.

For Freedom,

Rod D. Martin  
President
